Wow its been so long and so many years have gone by.

I cant believe this forum is still operational, the website may have gone but this is still very much alive and still has so much knowledge that no one is able to access.

Is anyone still in touch with he current ISOP?

Oh hey what you guys and girls doing now since 2006 when I set this up?

Ive started another post which is for those of the past to say hi and let everyone know what your up to since you left and see what others have done.

Thanks for reading this.
